COCOA & DRIED FRUITS

With the same premium quality as always, preserving the old school tradition of manufacturing in cast iron, our roasters are impressive when processing cocoa beans and dried fruits!

*Our roasters roast dried fruits **without salt**.*

Cocoa and all dried fruits can be roasted manually or automatically with the BRIGUS roasting profile software.

Regardless of the capacity, we have the perfect solution for you.

Cocoa and dried fruits roaster models are offered in 5, 15 and 25 kilos batch capacity.

OPTIONAL - Connect our roaster with **Cropster** or **Artisan** software for precise roasting profile to ensure the true consistency and repeatability batch by batch.

- ▶ **JOPER** Roasters are made with **High-Quality CAST IRON** components and hand craft individual for best roast quality, control and consistency.
- ▶ Roasting drum with **double wall**, special mixing paddles and speed variation ensure optimal movement and mixing for excellent roasting results.
- ▶ 4 separate **Premium Efficiency motors**. All direct drive for quietness and low maintenance: Drum drive, cooling pan stir arms, roaster fan and cooler fan.
- ▶ 2 thermocouples included: Bean temperature and exhaust air temperature.
